
THE 2ND ANNUAL

TEENS²

TRADES

GOLF TOURNAMENT

Hello friends!

I am thrilled to welcome you back to the 2nd year of our golf tournament that benefits the Teens2Trades program! Your involvement in this event means so much to the many under-served and under-resourced youth looking for a career path forward.

As you know, our community has felt the shortage of professionals entering the trade industry. With the rapid growth in the Treasure Valley, we need these young men and women more than ever. What you are doing will help fill the gap for the kids who may not be able to utilize House Bill 24 or have expenses above it. These Teens2Trades scholarships will provide the opportunity to build a lifetime career in the trades for so many. In our partnership with CWI, I believe we are helping to grow the next generation of successful tradesmen and women of the Treasure Valley and we couldn't do it without your support!

Thank you for helping use shape the future of our valley.

-Mark Johnson
